‘Getting to know Ravenna’

An illustrated talk by our Vice Chairman, Andrea Hill

Andrea will give a brief report on her trip to Ravenna in May, which included exploring the city a little more, a visit to two schools and a trip to Comacchio. Her objective was to make further progress with her Italian but she discovered that the benefits of the trip went much further than this.

‘Restoring a Tuscan watermill - living the dream, surviving the nightmare’

An illustrated talk by Andrew Cutler

Andrew will talk about the challenges and delights of sympathetically turning an abandoned watermill into an award winning holiday home.

‘Exploring our website’

An illustrated talk by Jennifer Bottomley and Mike Bonser

Mike and Jennifer will take you on a brief tour of the Friends of Ravenna website. They will show you what is available and will try to answer any questions you may have.

Bruschette and a glass of wine will be served after the talks.
